SPRINT SERIES SAFETY DECLARATION 2020

Boat Name	
------------------	--

The above boat complies fully with its own class safety requirements (where applicable) AND the minimum safety requirements of the BJRC for the Sprint Series below. NB For the avoidance of doubt, boats also competing in the BJRC Cruiser Series must comply with the BJRC's additional requirements when participating in the Cruiser Series races (see Cruiser Series entry forms):

SAFETY EQUIPMENT ON BOARD

A competing boat shall carry safety equipment as detailed below:

- Anchor and chain or warp
- Manual bilge pump with secured handle
- Echo sounder or lead line
- Heaving line
- VHF radio capable of operating on Channel 77
- Lif jackets or buoyancy aids for all crew, marked with yacht or wearer's name
- A strong, sharp knife, sheathed and securely restrained shall be provided readily accessible from the deck or a cockpit

All listed equipment to be maintained in a correct state, accessible for immediate use, and all crew to be instructed in its location and use.

PERSONAL FLOTATION DEVICES

Lif jackets or buoyancy aids must be on board for each crew member, and it is the responsibility of the owner or person in charge to require that they be worn when conditions warrant. (Change to RRS 1.2). NB For open keelboats clubs and classes require buoyancy aids to be worn when racing and so does the BJRC.

ENGINE

A working inboard or outboard engine and adequate fuel. If carrying an engine is impracticable, the owner or person in charge must make arrangements for a support boat to be in attendance.

INSURANCE

A boat must be covered by adequate and suitable Insurance, including Third Party liability to the value of at least £5m per event or the equivalent, and the owner shall sign a Declaration to that effect.
